EXCHANGE STUDENT TAPIO LESKIJARVI

I had no idea what to expect when I came to the United States from Finland. . . especially to an all-boys school! In my home girls outnumber the boys in schools 4 to one. However, through the many activities I have been able to take part in, I have made many friends and have stored many memories that will stay with me throughout the rest of my life. If you come to Finland some day I would like to see you. Ask for me in Joutsa.

ACTIVITIES

Row 1: D. Rather, W. Miller, D. Burton, J. Deitrich, M. Edmonds, and M. Brandt. Row 2: K. Okerman, J., G. Mensing, S. Sinclair, J. Hill, G. Solomon, D. Smith, R. Miller, R. Zeising, S. True, J. Baker. Row 3: D. Gambs, C. Bray, D. Cudner (Pres.), J. Peterson, J. Smith.

B.A.T.S.

The Benson Auditorium Technical Staff is responsible for scheduling and running the noon movies, dances and most of the stage shows held in our auditorium. Due to the nature of their work, they are seldom recognized. . . only when a mistake is made!

AEROSPACE CLUB

The Aerospace club has as its objective the promotion of rocketry. Members also study and discuss the latest developments in aviation.

Row 1: J. Adams, C. Ness, D. Wash (Pres.), T. Nussbaumer, B. Law, B. Law. Row 2: C. Jones, D. Organ, Mr. J. Miller (Advisor), D. Crawford, and F. Adams

ORANGE B

Orange B is a school service club made up of students who have made letters in athletics. Activities include escort service and raising money for various Tech causes.

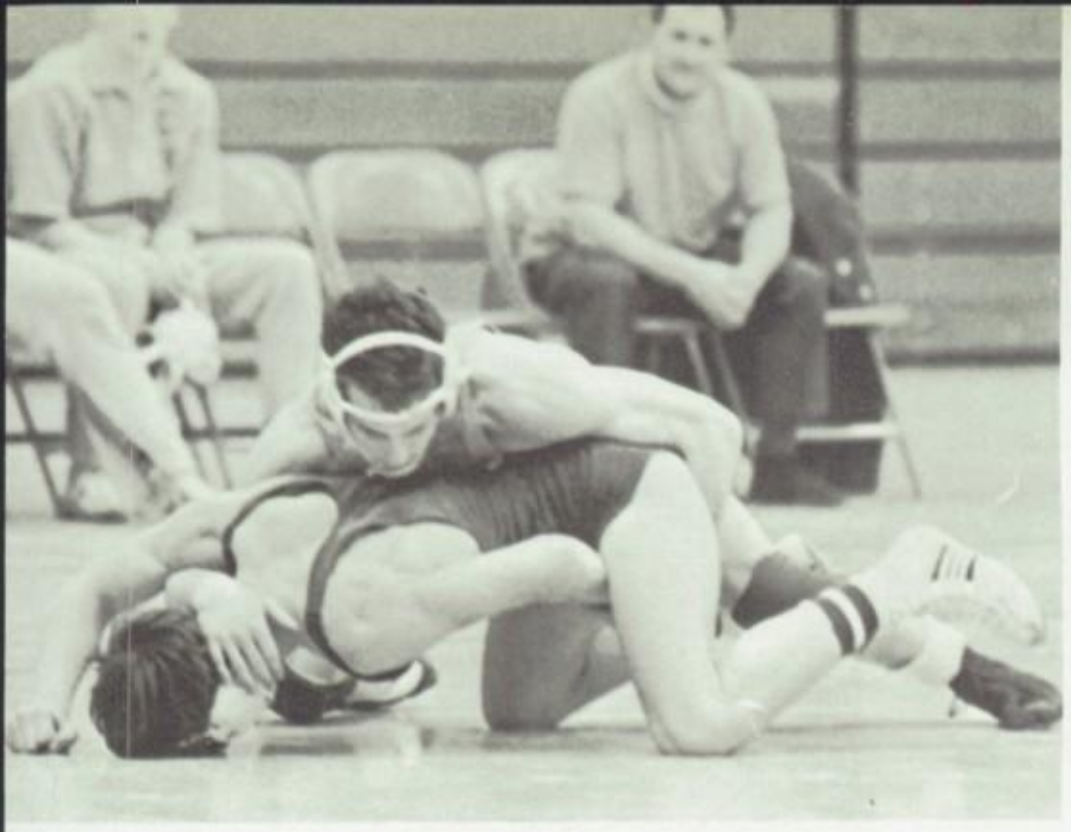
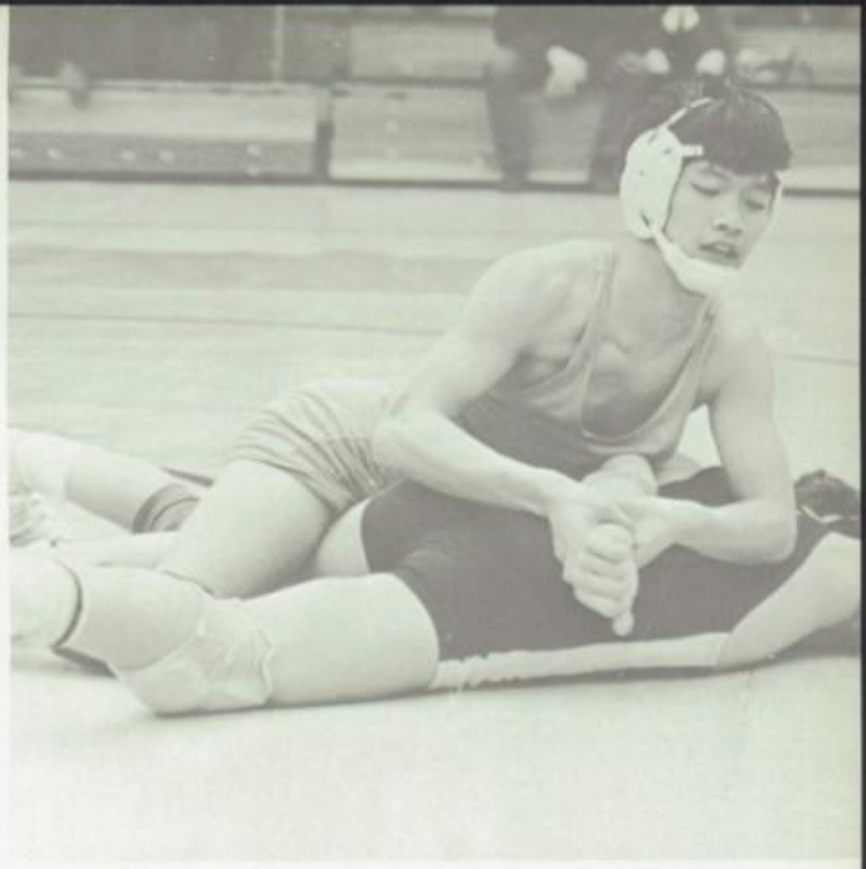
WRESTLING

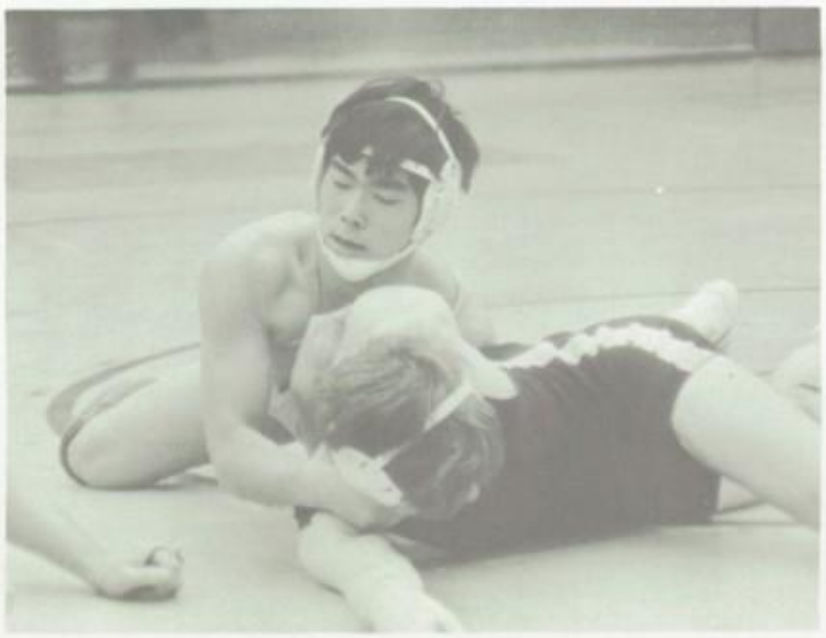


Co-Captain Bob Veley prepares to put a move on his opponent.



Fred Wong is ready to send another one to the showers.

The JV squad, coached by Mr. John Bergan, had a great season. In pre-season they beat North Salem and Sunset. In the League they finished with a strong 9-3 record, losing only to Madison, Grant and Cleveland. Many sophomore standouts included Rick Carlson, Dave Cristofolo, Larry Traver, Victor Garcia, Dennis McKay, Rich Johnson, Chris Veley, Tom Achatz, Jeff Sappenfield and Tom Quigley.



Tech's freshmen lost only one match, to a strong and more experienced Marshall team, 36-31. They won their next seven matches.

BASKETBALL

Coach Gray's comment after the final tournament game:" We couldn't think of another team we'd rather beat to win this championship. We used a lot of substitutes this year and when we had to go to the bench each player was ready and played like a veteran. One wonders how much stronger we'd have been if Dennis Crapo and Dave Labrousse had been healthy all year.

Our thanks to coaches Riese, Johnson and Pennington for their contributions to the development of these players through the years and in the season and tourney strategy.

To the seniors, our thanks for their leadership and inspiration, and to the underclassmen, we have to work together to overcome our weaknesses and to improve our strengths in the off season so we may defend our honors like champions next year."

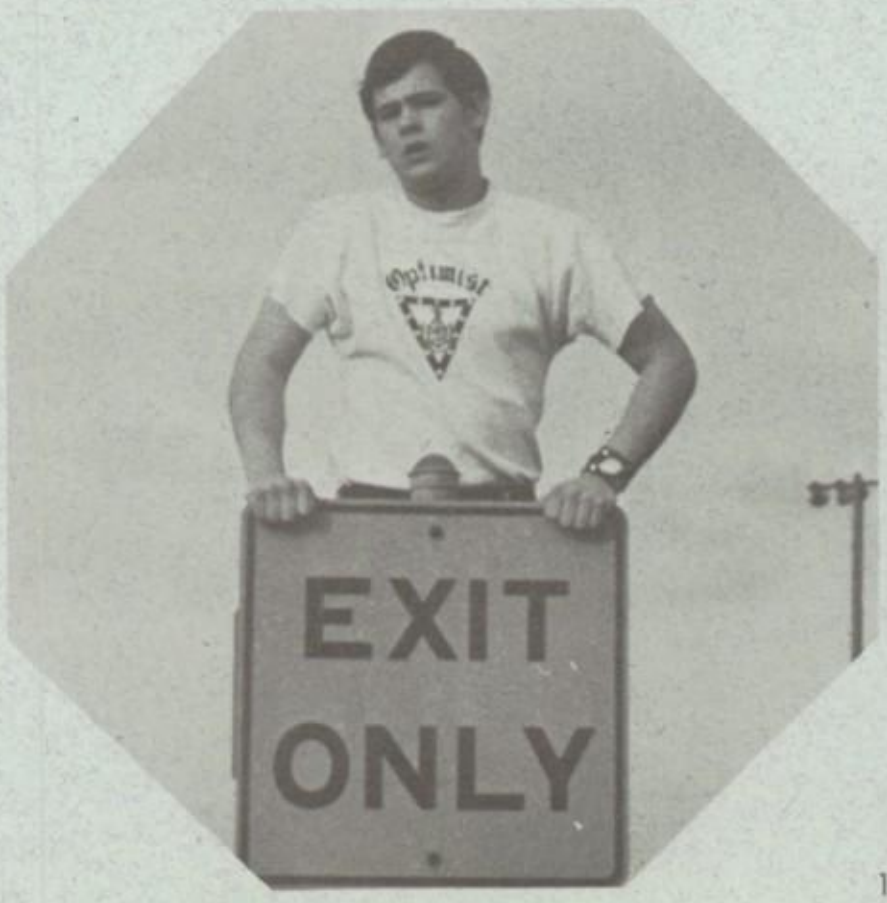
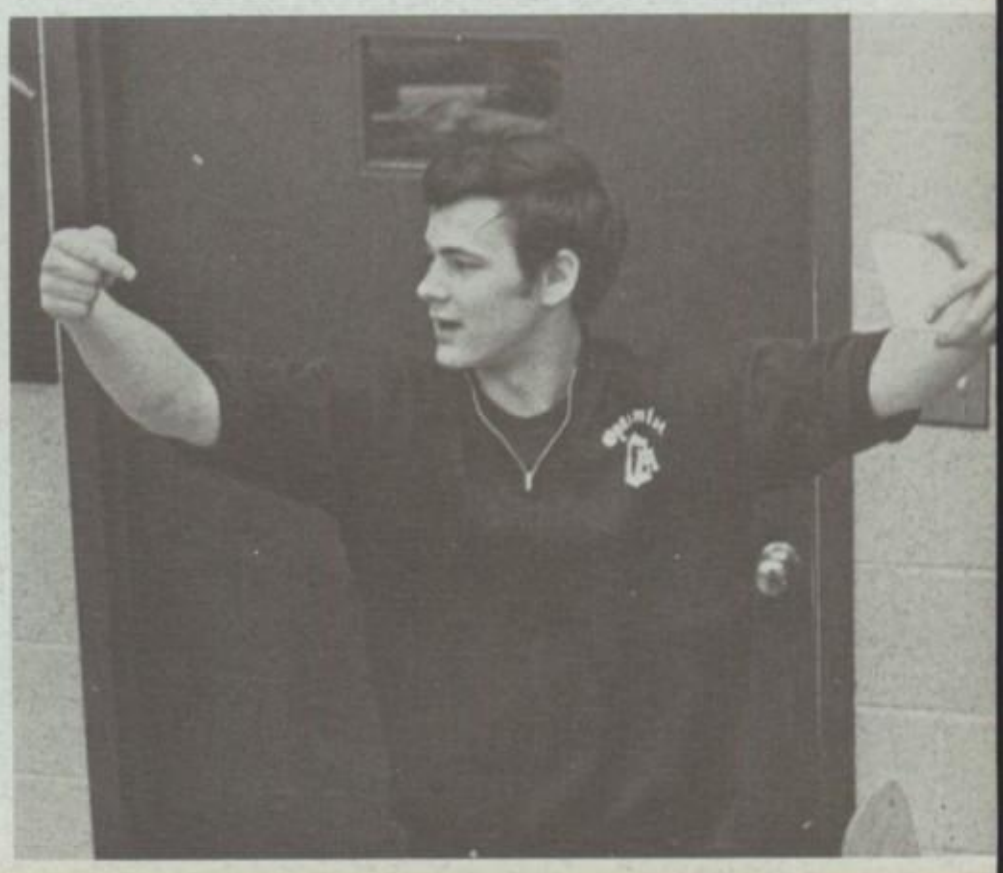
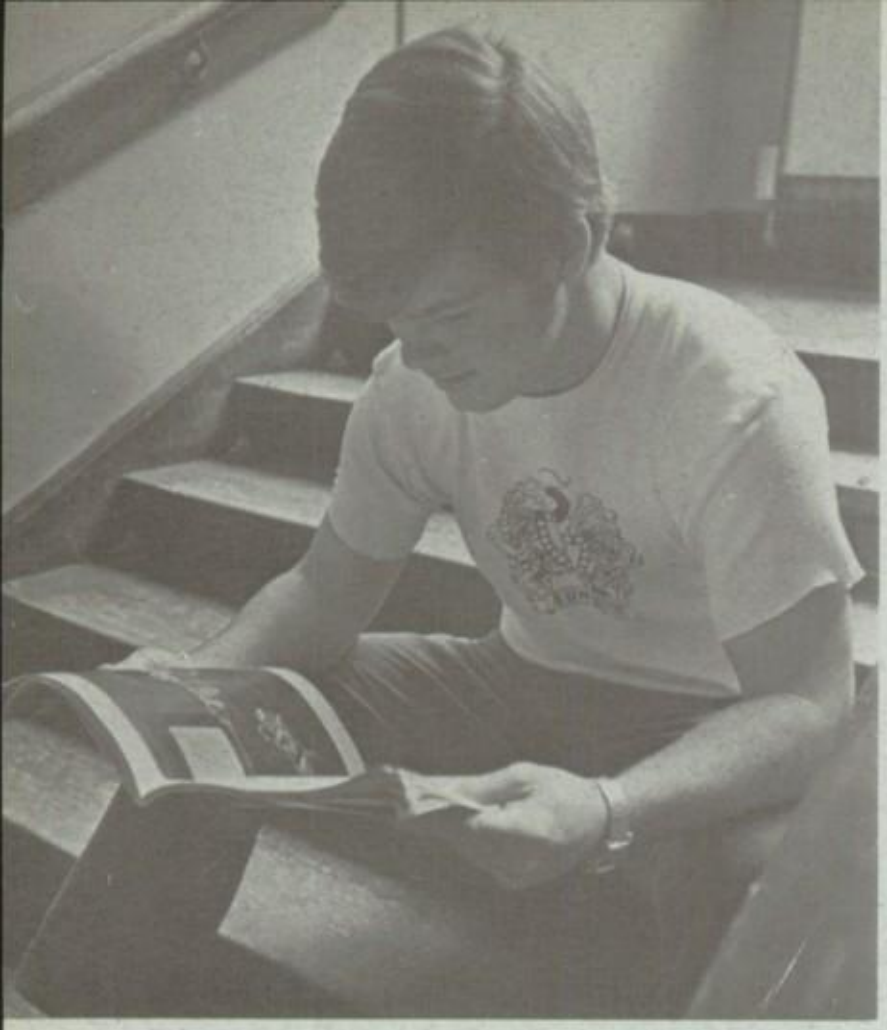
I have been looking back on my past four years at Benson and attempting to assess what I have gained. As I did so, I experienced a feeling of satisfaction and gratitude. Satisfaction because I have completed a lot in learning to use my hands in developing and gaining technical skills and gaining precious knowledge and experience in my fields of interest. Mentally through my association with textbooks, fellow students and teachers. Gratitude because I had the privilege of attending the finest technical high school in the nation who's chief goal is not only to prepare one through academic studies but also through one of the finest industrial shop programs to be found anywhere.

JERRY BARONE

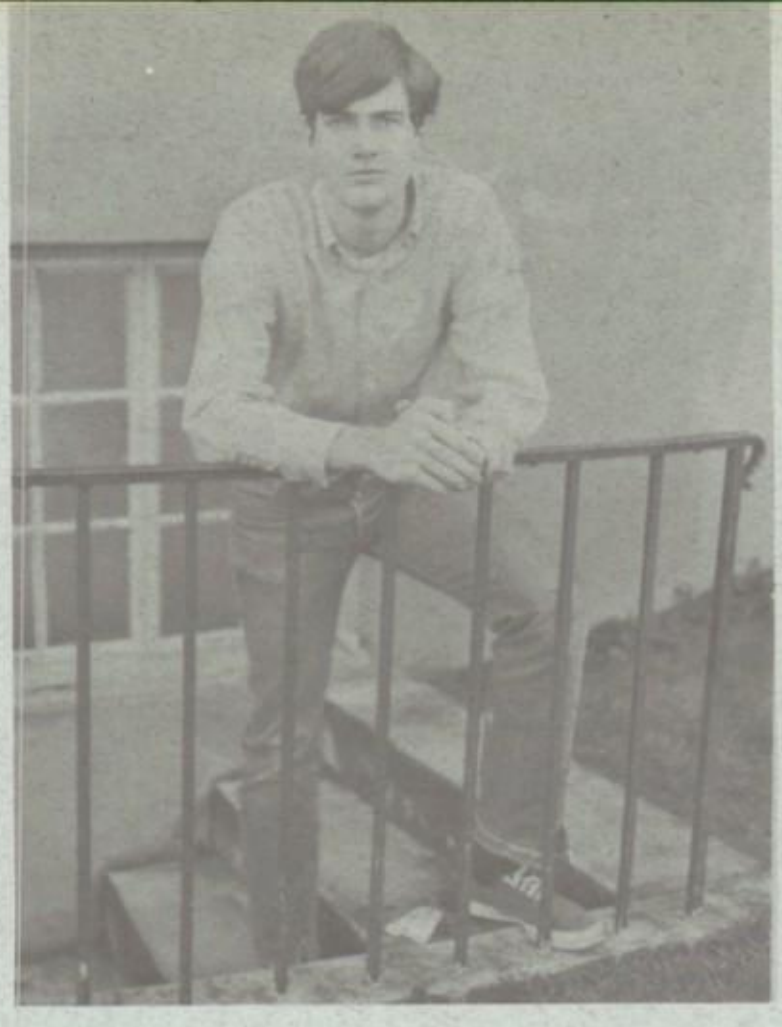






These past four years have been a very enlightening experience for me. It has taught me how to look to my instructors for the knowledge they can give me. Benson has the most qualified instructors that can be found anywhere. It is a student's obligation to himself to learn all that he possibly can, because there is no substitute for education. It may be hard for some of you to see this until you have been around enough to gain experience in what is going on around you. I just hope it isn't too late for some of you when you finally learn this.

JOHN UNDERHILL

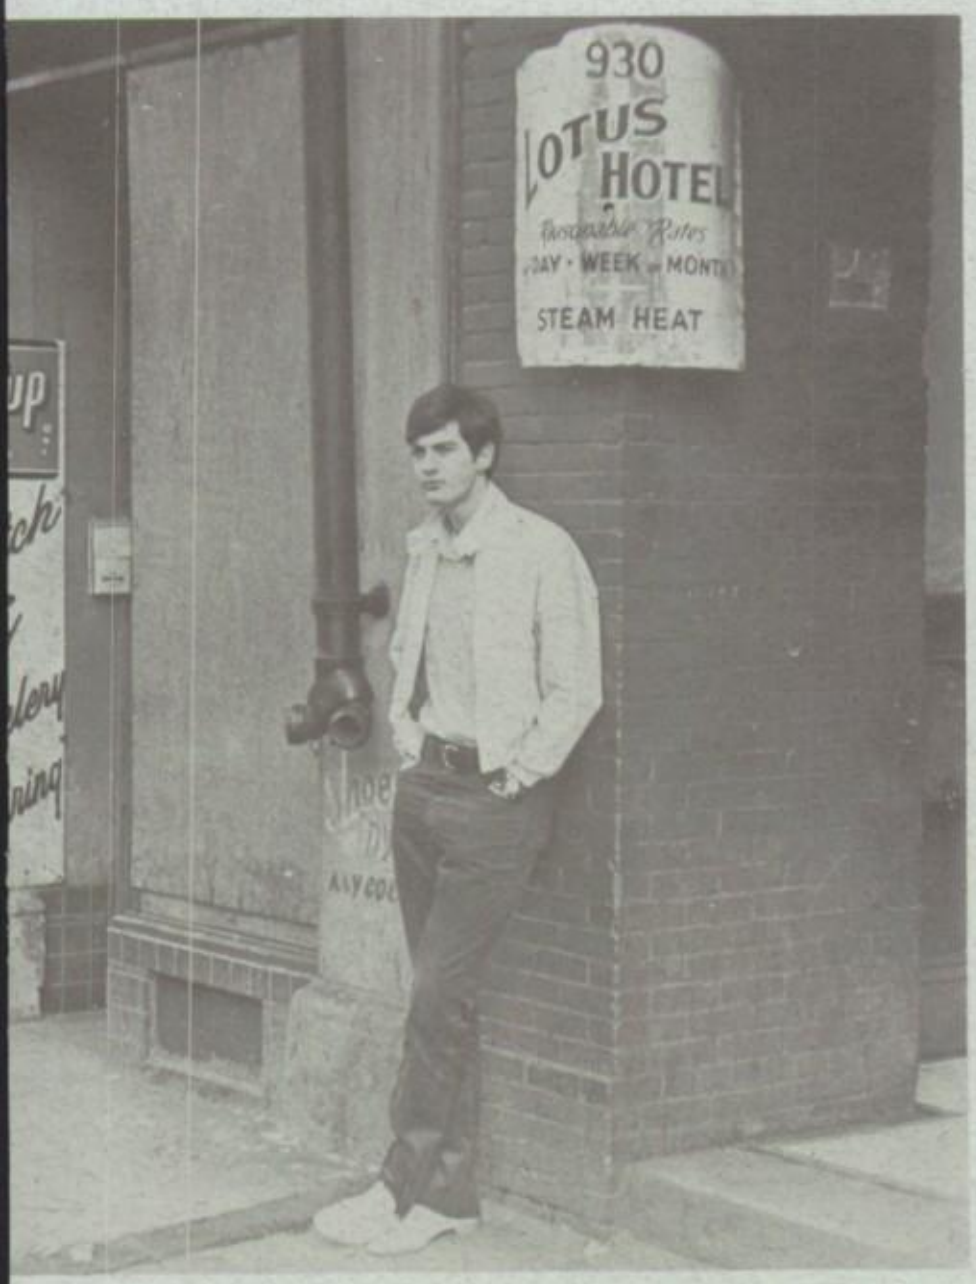


RICHARD BUCKSHNIS

As a graduating senior, I can look back upon most of my days at Benson with a smile. Benson is an excellent school to attend if one wishes to really learn. Most of the teachers are very good and the distractions are practically nil (MANY girls are a rarity here!).

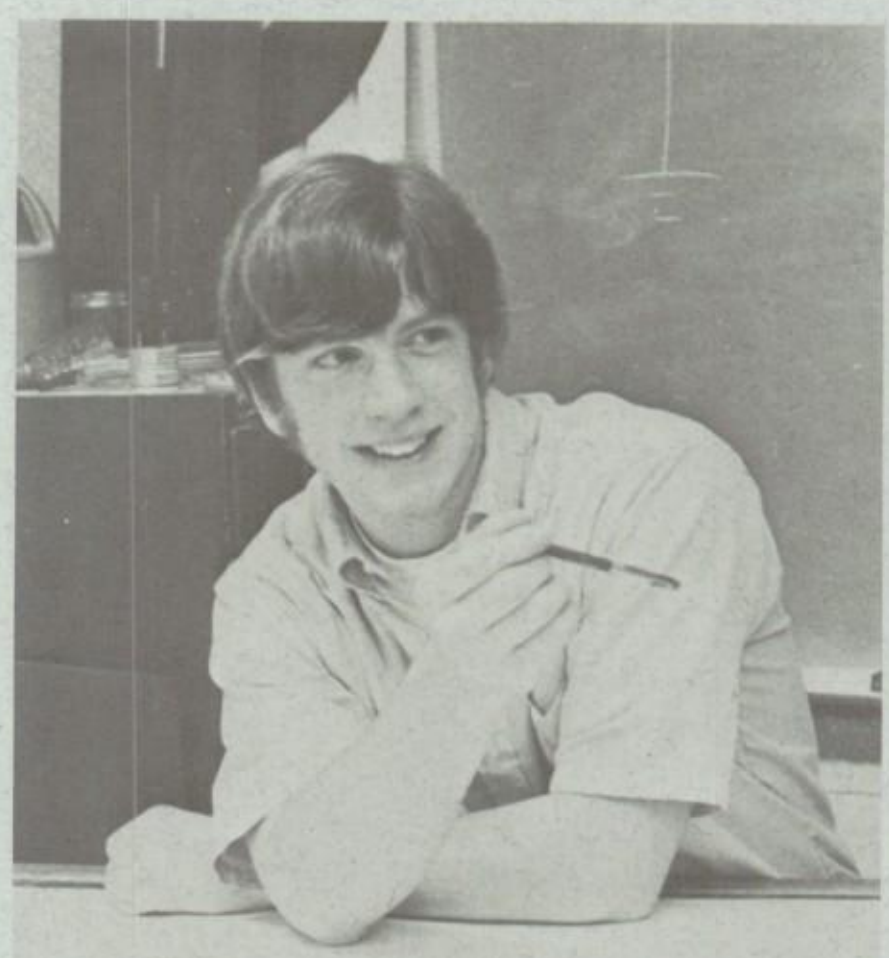
It was proven to me that Benson has one of the best athletic departments in the City. The coaching is tremendous. If you, as a student, do not participate in some form of competition, you are missing one of the best ways to train your body and to discipline your mind.

Since Benson is an all-male school, I feel that social clubs are imperative. As president of SURS I have found the social club one of the most rewarding experiences of my school life as to meeting new friends, both male and female.



There are so many things to say about Benson that I don't know where to begin. . .the school speaks for itself!

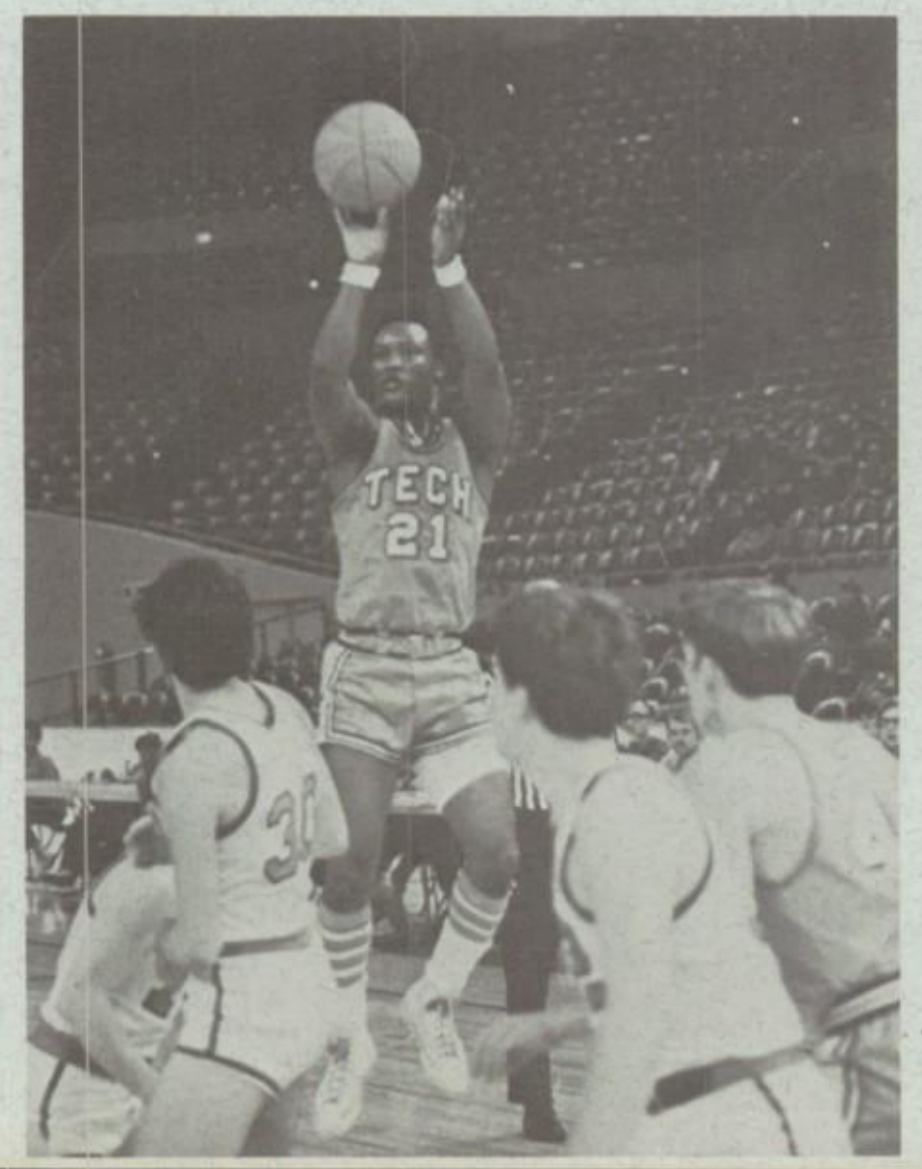
MIKE

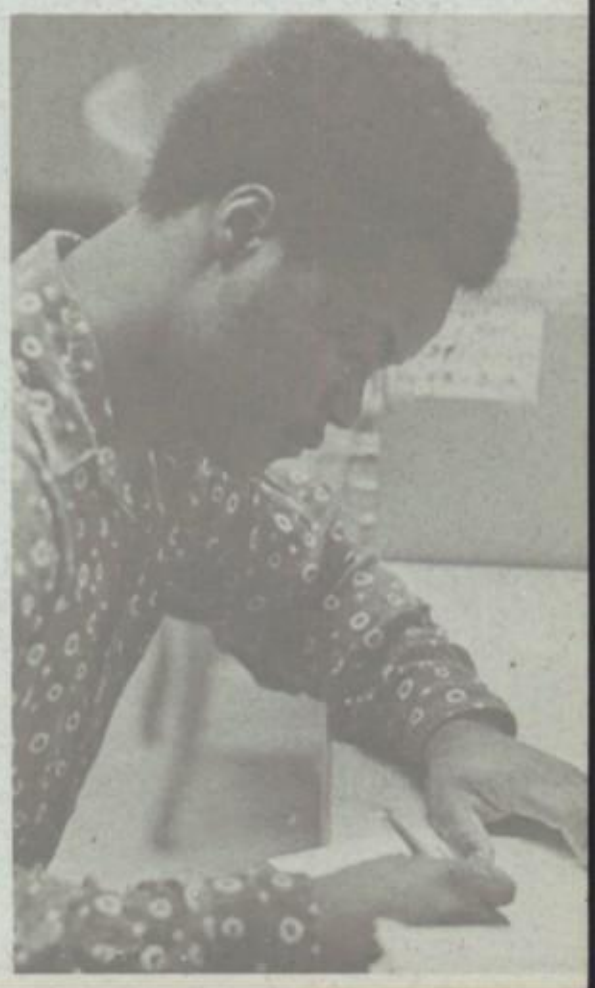


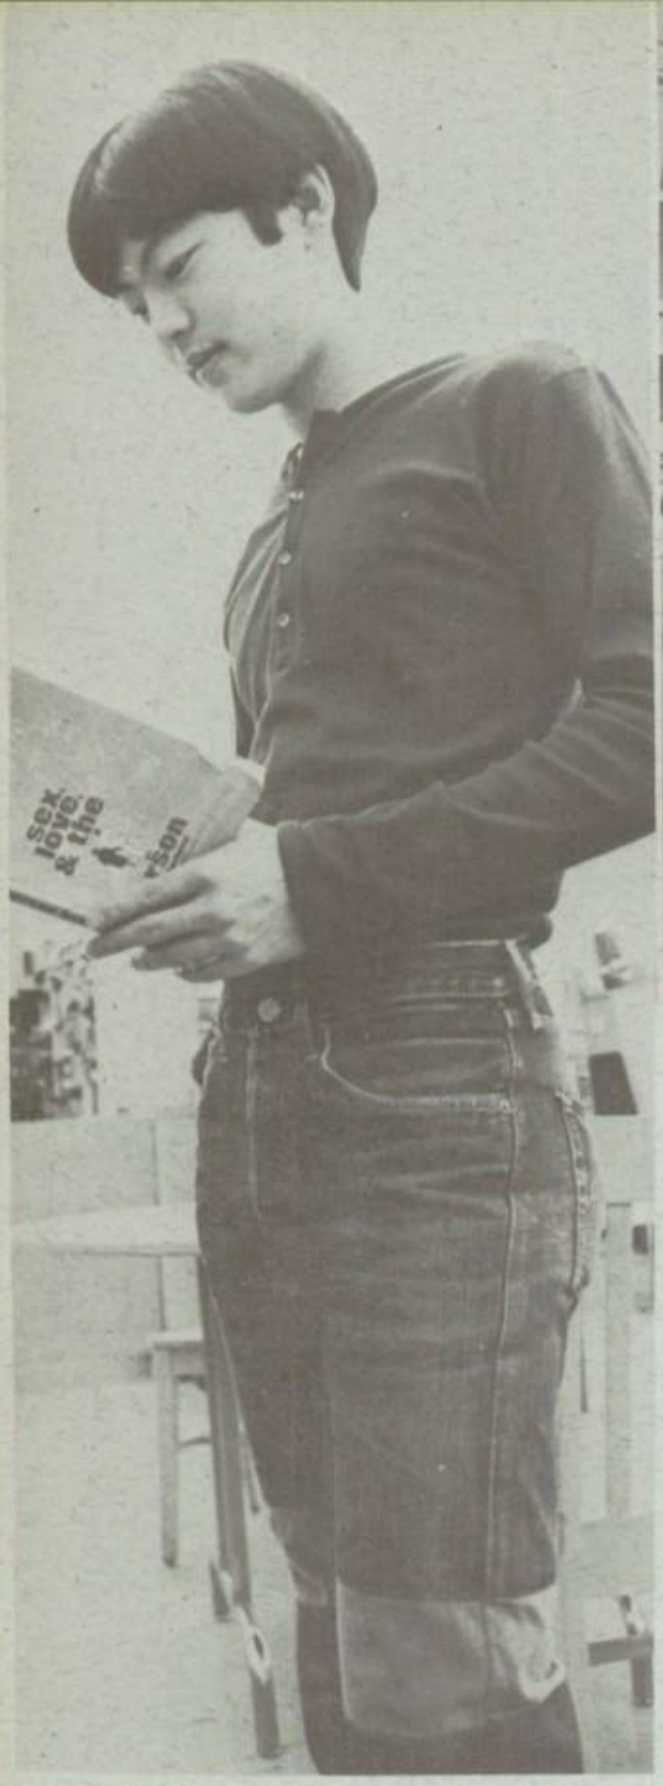
DeWITZ

LEON McKENZIE

Having attended Benson these past four years I have learned a great deal. This is a great school but it still has its faults. The teachers' thoughts and ideas are too set regarding black students. The student body as a whole is not listened to enough. This is mainly because some of their ideas are liberal and most of the teachers tend to be conservative. If this is to continue to be a great school, the administration must take student ideas more into consideration. Also, on behalf of the black students, attending Benson: They should be able to study their own black culture. They are being deprived of this right because Benson has no Black Studies course. If the existence of the Nation's Finest is to continue, the faculty must judge all students by their inner qualities rather than by their appearance or color of skin.







BEN GOKAMI

My past four years at Benson have been something else?? It is a very fine school, but it would be even better if co-educational.

Being a member of SURS, I have had the opportunity of attending various social functions which were very rewarding. That's one of the things wrong with Benson. Although the academic and shop programs are the very best anywhere, the school doesn't offer one much of a chance to develop the background one needs in order to enter a different field than those offered here.

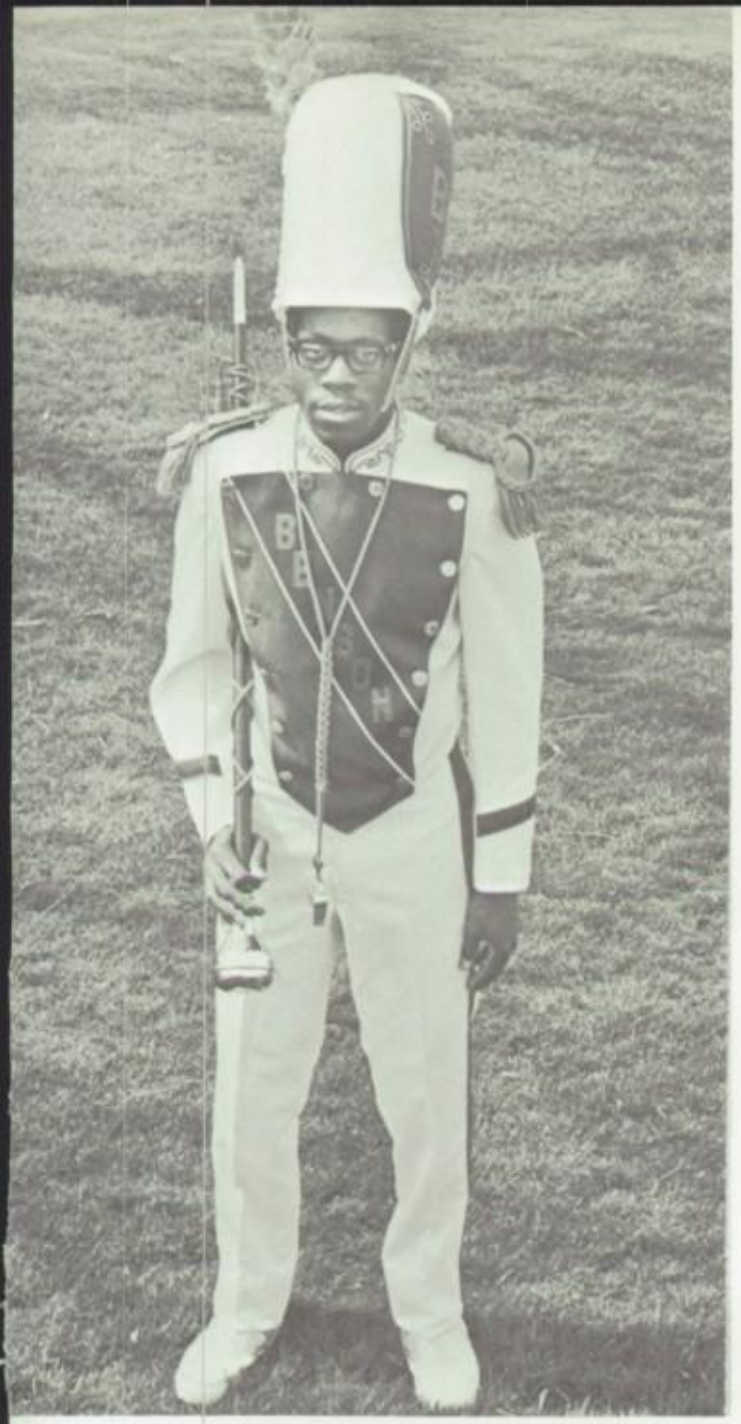
BENSON BAND

Benson's pep band played at all home basketball games and represented the school musically at the State Basketball Tournament. Jess Smith was Student-Director of the group.

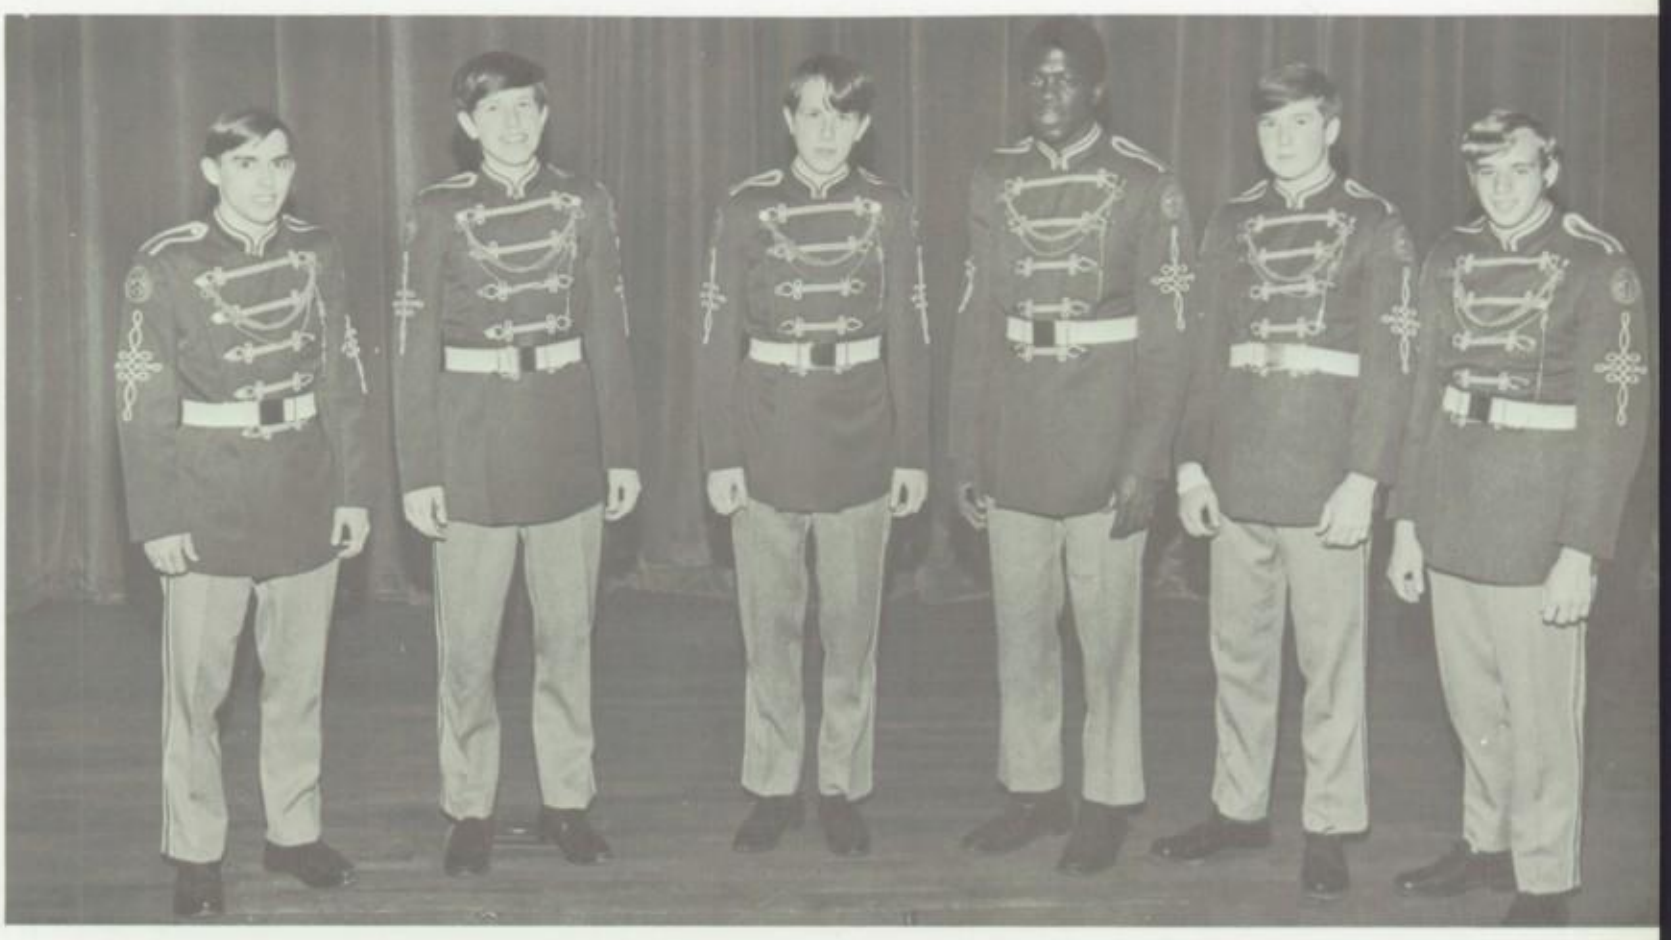
Benson's concert band had a very busy and successful season, starting with the football season in early September. The year was climaxed with a three-day exchange excursion and concert trip to New Westminster-Vancouver, B.C., the latter part of April and completed the year with a part in the annual Rose Festival Parade. The group also played concerts at the Tech Show, the Forty Niner and the Area II festival.



Drum Major Harrison Miles a member of Tech's solo trumpet section.

Jess Smith: Solo Trumpet, state contest representative; Solo Choir---All-Northwest Band---Portland Symphony, 3 years; All-City Orchestra--Principal Choir; All-State Band, 1970; All-NW Band--first solo choir, 1971; The latter honor was by winning an audition between trumpeters from six states. District #1 solo contest, first division rated in 1969-1970-1971; Winner of Dist. #1 trumpet solo contest and will represent the district along with fellow Tech bandsman Carl Foster... the only two district #1 winners, both from TECH! Jess Smith will certainly be remembered in any list of Tech "greats".

BENSON BAND



Benson's Band Executive Board. Carl Foster, President; Gordon Burkett, Vice-President; Roy Burkett, Band Sergeant; Harrison Miles, Treasurer and Drum Major; Randy Johnson, Secretary; and Doug Amonsen, Librarian.

WHAT "THE EYE" SAW DURING

1971

ADMINISTRATION

A DAY WITH TECH'S

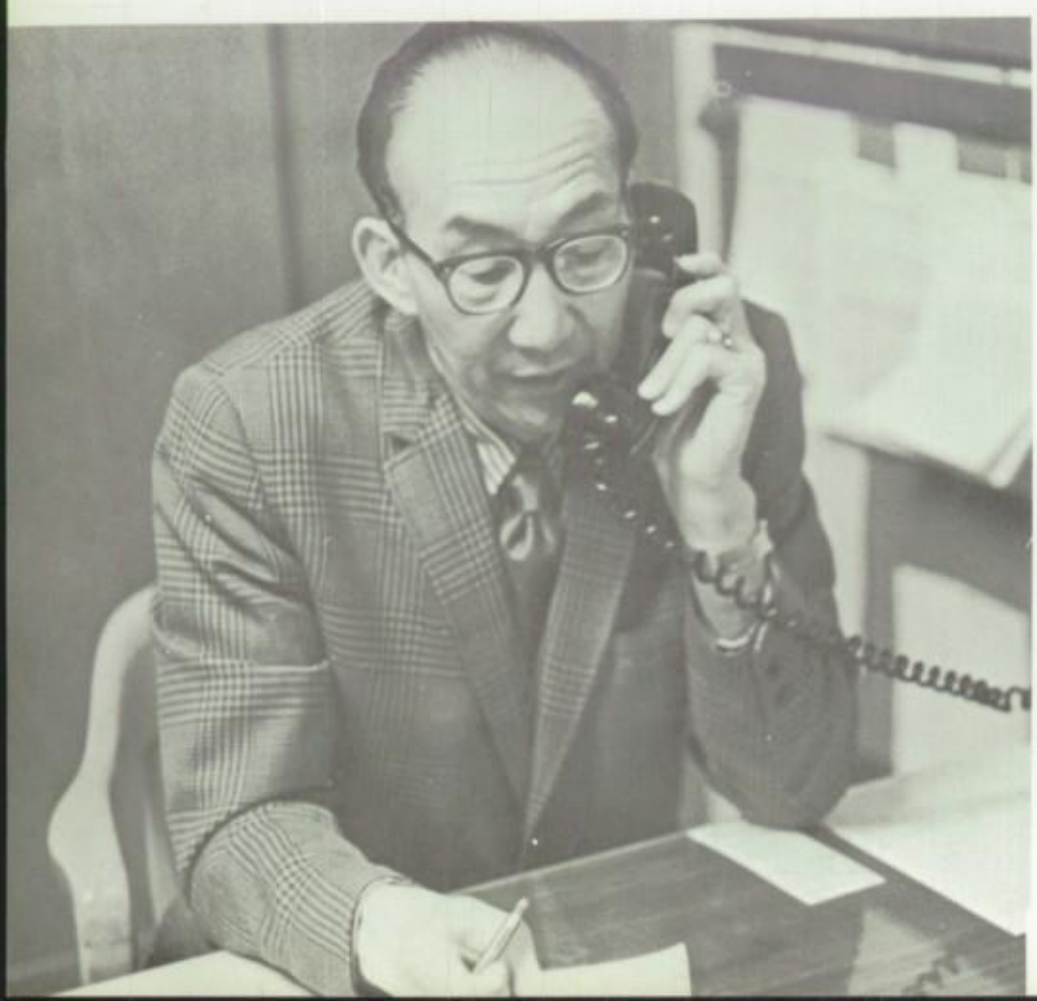
Benson's "Number One Man", Mr. Harold Andersen, placates a parent... or someone... via telephone. Mr. Andersen, in his first year as principal, brought Tech a State basketball championship... of course, Mr. Dick Gray and several boys on the team helped a bit!

Clockwise from right: Tech's "Five man gang" get together in the Chief's office to plan... something... for the betterment of The Nations Finest.

Mr. Stan Blair, Vice-Principal for Curriculum, checks typing of his secretary.

Mr. Aki Nishimura, Vice-Principal for shops explains to Portland's mayor, Mr. Terry Shrunk, just what makes it go!

Mr. Nishimura spends some time on the telephone, too!



Left: Mr. Dick Hennessy checks a locker. Vice-Principal Mr. Paul Benninghoff getting the story STRAIGHT!

Mr. Stan Blair thinks about scheduling... even though the picture was made in early October! That's the way it is with curriculum VP's!

ADMINISTRATORS

Clockwise from above: Mr. Miles Aubin gets the FACTS from Mr. Hennessy.
Mr. Andersen checks with Mr. Marty Allen, Graphic Arts foreman, and Mr. White, Job Counselor.
Mr. Benninghoff patronizes a barber recommended by one of his "problem children".... and checks by phone with Mrs. B.!
Below: Dear Old Tech... Truly "The Nation's Finest" Technical High School.

THANKS FOR All THOSE WONDERFUL
NEW THINGS YOU SHOWED ME IN THE
DOPE ROOM SWEETIE

For those fabulous
pictures of me, see
pages 50, 95, 100!
Good luck in years to
come - May the fleas of a
thousand camels rest upon you
this summer -

Hey Mom! It's
been a long year
but we made it.
Take care and stay
Mom to have two
summers. Love Janet

P.S. - Track in town

To the guy who
is driving it.
Kinda afraid
you wonder about
